## Open House

RBA will have its first open house on August 18th from 12:00pm to 4:00pm. This is a great way for new parents and students to get more information about RBA and its dance classes. ## Free Placement Class

RBA will be holding 2 1/2 hour placement classes for new students during its open house and it's free! This classes will help instructors to determine each student's skill level and advise their parents which fall classes will best fit their child's abilities. This is also a great way for students to explore dance. The class will consist of basic ballet and tap steps (no special shoes or clothes are required). Please contact RBA if you or your friends are interested, so we can put you on the class list (space is limited)!
